## Dear Business Owners,

The 12th Annual Washington Elementary School International Fair & Fundraiser will take place on Friday, April 26, 2024 from 5:30-8:00pm.

Many classes participate in the International Fair, choosing a country to study and present to their peers through the native food, geography, clothing and culture. As one of the most popular events of the school year, the 2023 International Fair was attended by over 200 families, teachers and community members.

As the Washington Parents and Teachers Association (PTA), our mission is to advocate for and support education plans and programs that allow our children to reach their potential. The funds we raise from the International Fair will help provide for a wide variety of educational materials and enrichment at Washington including music classes, organic garden, field trips and more.

If you would like to provide a donation or know of someone in your network that could donate a product or service, it would be greatly appreciated. Some ideas for raffle or silent auction items; A weekend stay at a hotel, amusement park tickets, gift certificates, art work, gardening services, lessons – ballet, dance, sports, cooking, music or a hosted dinner party. Anyone can donate; there is no item too small or too large. We gladly accept cash donations as well.

# Here are our levels of sponsorship support for cash donors:

**Includes:** Advertisement of support on front of attendee passport, large
